

**BILL NO. BL2018-1380** (O'CONNELL & BEDNE) – This ordinance would authorize SWVP Nashville Hotel, LLC (SWVP) to install, construct, and maintain aerial and underground encroachments located in the right-of-way at 1000 Broadway. These would consist of ten movable planters, two bike racks, an overhead canopy, and a Nashville Electric Service vault under the sidewalk encroaching the right-of-way.

SWVP has agreed to indemnify and hold the Metropolitan Government harmless from any and all claims in connection with the installation and maintenance of the encroachments, and would be required to provide a \$2 million certificate of public liability insurance with the Metropolitan Clerk naming the Metropolitan Government as an insured party.

Pursuant to the ordinance, the Metropolitan Government would retain its right to regulate use of the street and to order the relocation of facilities at SWVP's expense if necessary. Plans for the encroachments must be submitted to the Director of Public Works for approval before work is begun; and all work and materials must be approved by the Director. Construction must be carefully guarded and completed promptly so as to cause the least public inconvenience.

This proposal has been approved by the Planning Commission.
